

Keynote Speaking

Are you tired of rote and expensive speakers filling space on your valuable agenda, telling stories that have no relevance to what your people actually do?

Try a CGWA customized, targeted presentation. We will take the time to understand the message you want delivered, and craft our presentation to deliver that message in a highly applicable manner.

A sample of our most popular topics:

- ❖ What Great Accountability Looks Like—personally, and as a company
- ❖ Being A Leader—*beyond* the boundaries of your current position
- ❖ Keys to Getting More Out of Your Sales Territory
