

Leadership Development

At CGWA, we have been fortunate to work with corporate leadership throughout the world. Over 30+ years, we have targeted 6 key competencies truly great leaders must master:

- Building a Culture of High Accountability™
- Coaching: Executive, Leadership, and Individual Performance
- Negotiation/Conflict Resolution/Cross-Functional Collaboration
- Positive Power and Influence®
- Presentation and Facilitation Best Practices for Leaders
- Strategic Planning and Implementation

We can give your leaders the tools they need make your organization excel! Click on one of the topics above to find out more, call us at 1-800-713-1246, or email us at info@cgwa.com.
